At Music Mountain Theatre's Production of:

DISASTER!

Sunday, May 31st, 2026

Take a trip down memory lane with this musical comedy spoof of 1970s disaster movies - think Towering Inferno meets Poseidon Adventure meets Earthquake in a rollicking Broadway jukebox musical. Iconic '70s hits are ingeniously woven into the plot and include hits like "Still the One", "When Will I Be Loved", "Hooked on a Feeling", "Never Can Say Goodbye", and of course, "I Will Survive", plus many more for a tune filled romp that will have you dancing in your seat.
